PARENT TIME

“Love one another.” That’s what the Bible tells us to do. That’s what Jesus tells us to do. It sounds easy, and it is...when it comes to those whom you already love. But, Jesus wasn’t just talking about your spouse and your kids. He was talking about everyone. That’s right. Jesus loves everyone, and He wants us to show His love to them too.

Loving one another means stopping to help even when others are ignoring the need. It means loving whether you have a little or a lot to give. It means loving a person even if he has wronged you in the past. Sometimes loving one another is easy, and sometimes it’s hard. However, it’s always worth it. Because when we love one another we are showing each other the love of Jesus. And that is what He’s asked us to do!

The community at TheParentCue.org was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we’re already spending together.

There’s an app for that:

Parent Cue App – centered around a monthly topic, this app sends weekly CUEs that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.

MORNING TIME

This month let your child wake up to: "Rise and shine! It's a great day to love one another!"

CAR TIME

As you drive to your destination, talk about the "neighbors" you will see when you get there. Decide some ways you can love them when you get there. Can you smile and say hello? Give a hug? Share a toy? We can love everyone when we look for ways to do it.

BATH TIME

As you bathe your child's arms and legs, talk about how the Samaritan man washed and cared for his hurt neighbor's arms and legs in this week's Bible story. One way we can love our neighbor is by taking the time to stop and help them.

CUDDLE TIME

"Dear God, thank You for giving us so many wonderful neighbors. Thank You for (*name a few neighbors*). I pray that [*child's name*] and I will learn to love our neighbors the way You love us. Help us to take the time to stop and help them when they need it. We love You, God! In Jesus' name, amen."

PLAY TIME

Teach your child how to take pictures with your phone this week. (He probably already knows how!) Tell him you are going to work together to take pictures of your neighbors. (Remember, Jesus considers everyone His neighbor.) You can print the pictures as you take them to make a "Wall of Neighbors" in your home. Use your wall to talk to your child about who our neighbors are and ways we can love them.
